

LAUREN'S LOOKOUT

Volume 1 Issue 3

August 2015

Hello Division 21,

Summer has just flown by and it's already time for school to start! This summer I attended International Convention (ICON) held in Indianapolis, Indiana and I had a blast electing the 2015-2016 International Board, celebrating the 100th anniversary of Kiwanis with a pancake festival and just having fun with other Key Clubbers from the Illinois-Eastern Iowa District! It was a great experience and I hope all of you consider attending ICON next year in Atlanta! If you still have a few days left of summer, make them count by participating in a service project for Key Club to get started on your hours for 2015-2016. Hope everyone had/has a great first day of school!

Yours in Service,

Key Club Pledge

I pledge, on my honor to uphold the objects of Key Club International; to build my home, school, and community; to serve my nation and God; and combat all forces, which tend to undermine these institutions.

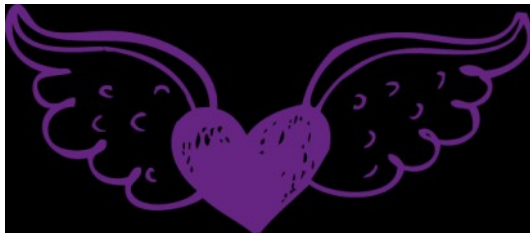

Key Club Fact for August!

In 1946 the first club was built in Canada, and since that time many more have been added. Key Clubs have also been formed in the Caribbean and future growth is promising. Every year, led by the international officers, two hundred or more new Key Clubs are added to this fast growing organization,

Club Officer Rosters

We now have a new form to fill out officer information! At this link: [Club Officer Roster Online Form](#) please enter names and contact information for your officers and Kiwanis Adviser so the District Board, as well as myself can send you important Key Club updates. Thanks to Metea Valley, Plainfield North, Romeoville and Wheaton-Warrenville South for already turning in rosters! Keep up the GREAT work!

If you elected officers in the Spring, please fill out this form as soon as possible! If you are holding election next school year, fill out this form after your election. Club Officer Rosters are due September 15th!

Dues Deadline

Dues are a small fee that Key Club Members are required to pay to belong to Key Club International. In the Illinois-Eastern Iowa District each member must pay a total of \$12 (\$7 goes to International and \$5 goes to the District). You can also charge an additional amount for funds for your own club.

Dues are used to fund district events and to create and distribute Key Club promotional information internationally. At this link: [All About Dues](#) you can find any other questions you may have and steps for paying dues. Please have your dues in by **November 1st** and you will receive an awesome patch for your Key Club banner!

Youth Opportunities Fund

The Youth Opportunity Fund (YOF) gives Key Clubs an alternate source of funding. The committee typically funds clubs who are seeking a portion of the total costs of a project or clubs working with other organizations to complete a project, such as Kiwanis, Circle K or Builders Club. After a grant is requested the Key Club International Board will consider your project and you will receive a grant.

Applications must be received by October 15th. Need project ideas? Visit www.keyclub.org/yof to see examples from past winners.

I am working on having a service project where our whole division can participate!
