December 1st 2015: On-Time Dues

IMPORTANT! Make sure KCI received your membership dues by this time or else your club will be considered delinquent.

February 1st 2016: Dues Recognition

Submit your dues payments before this date so your club can include them in any recognition program available!

Club didn't pay dues last year?

Your club has till September 30th of the following year to pay for its dues before the club's charter is revoked. Once revoked, the club would have to pay an additional \$100 in fines to reactivate the club!

- If one does not pay dues, then one is not in "good standing" with Key Club International which prevents to hold office at any level, attend conventions, and ineligible for any District or International scholarships.
- If a club fails to submit dues, it could become suspended or inactivated (inactivated clubs require an additional fee to be reinstated) as well as become ineligible for any awards, honors, or grants such as the Youth Opportunities Fund grant. After a long enough period of time, the club's charter could be revoked.

Quick 101 on DUES!

- Each club must have at least 15 members to charter or renew a charter, but do NOT need at least 15 to pay beginning dues.
- There is no such thing as MAX membership (go crazy, recruit your whole school!)
- Dues are annual, so members have to renew their membership every year!
- You can submit dues more than once! As long as first time is before December 1st
- It's never too late to continue paying dues for new members throughout the year! **ALL MEMBERS SHOULD PAY THEIR DUES!**
