

Key Club DCM December

- 1.) I'm glad everyone could make it to our very important Lieutenant Governor Election for 2016-2017! We will get started after a few announcements.
- 2.) Awards Deadlines are coming up! Please check out the division 21 website or the I-I Key Club website for the updated book! If you have questions, please let me know because I am the awards committee chair. The first batch of awards are due to Mr. Hall by January 11th. Remember not to wait until the last minute to fill out an awards application. Sometimes you need to write essays or obtain extra signatures. Follow the directions and read carefully.
- 3.) Holiday Embrace is a dance hosted by CKI on January 16th at Indian Lakes Resort in Bloomingdale, IL to benefit Spastic Paralysis. Please read the sheet handed out to you and I can answer any questions if need be! All Key Club Members and advisors are welcome to attend this event hosted by Circle K.
- 4.) A Division Wide Function is a project I will hold where our entire division will participate to benefit one cause. All 13 schools in division 21 will collaborate together.

Currently I am looking to hold an event called Yuda Bands. From the Yuda Band website, "A Yuda Band is a handmade leather and coconut bracelet from Guatemala, and the basis for a service learning project run by youth in high schools, jr highs, and middle

schools across the United States. Yuda is derived from “aYUDA”, the Spanish word for help, aid or assistance. Sales from Yuda Bands are used to build scholarship funds for youth in developing nations who would otherwise be unable to continue their education beyond the end of public education (6th grade) because of financial circumstances".

Please check out the Yuda Bands website: <http://www.yudabands.org/>

Here is the website to sign up for Yuda Bands:

<http://www.yudabands.org/signup/>

All you need to do is fill out questions about who is leading the project, your club, school, address and you get to pick the date of your project.

Once you have an account, you will be directed to a calendar to pick the date of your project and your training (via Skype) to help promote sales. The bands take about 3-7 days to deliver and selling lasts for 2 weeks. On your account you will also be able to pick a student to sponsor in Guatemala that need you to sell a certain number of bands that will help pay for them to go to school!

Remember that you need to get approval from your school before you can do this project! Let me know if you need help and I can provide more promotional materials.

5.) Now we will begin the election. Each candidate will make their speech, followed by 2 minutes for you, the audience, to ask any questions you may have on the candidates position. Carmen, please come to the front to address your Key Club experiences
