

LAUREN'S LOOKOUT

Volume 1 Issue 5

October 2015

Hello Division 21,

Fall Leadership Rally was a blast! Thanks to Metea Valley, Plainfield North, and Yorkville Key Club for attending! These students gave up a Sunday afternoon to learn about their new leadership positions, service project ideas and ways to run a meaningful Key Club meeting. If you particularly enjoyed a specific forum and are looking to take the next steps to introduce a new idea into your Key Club, please let me know and I can give you the contact information of the presenter. Couldn't attend Fall Leadership Rally, but need some help with a certain issue? Let me know and I would be happy to help. I'm looking forward to visiting your Key Clubs this school year!

Yours in Service,

Key Club Pledge

I pledge, on my honor to uphold the objects of Key Club International; to build my home, school, and community; to serve my nation and God; and combat all forces, which tend to undermine these institutions.

Key Club Fact for October!

Bill Clinton, Tom Cruise, Brad Pitt and Elvis Presley were all Key Clubbers before they were famous!

Training Club Officers

It has been one hectic school year, but I am looking forward to visiting your Key Club soon!

Most everyone has selected their club officers and I would love to train them for their positions, so they can lead meaningful and interactive Key Club meetings this year!

The training primarily consist of a short Power Point presentation and the distribution of officer guidebooks, which should take less than 30 minutes.

Please let me know when your officers meet, so we can schedule a time to have the training!

Trick-Or-Treat for UNICEF

In 1949, Trick-or-Treat in UNICEF was invented by Mary Emma Allison when she saw a UNICEF booth collecting funds to send powdered milk to undernourished children around the world. She thought of getting children to collect donations for UNICEF instead of candy and here the foundation was born! If you need any assistance getting coin boxes for your club to collect change, please let me know. This project has been a great success for Division 21 in the past!

Key Club Week

Always the first week of November, Key Club week falls from November 2nd-6th this year. What is Key Club Week you ask?! According to the Key Club International website, "Key Club Week gives you the opportunity to show your community what Key Club is truly about: service. Each day places an emphasis on service, to promote Key Club within our homes, schools and communities and to make Key Club a household name."

Themes:

Monday—Show your "K" in every way

Tuesday—Kudos to the Key Players

Wednesday—Dare to Care

Thursday—Random Acts of Kindness

Friday—Connect the K's

Divisional Council Meeting (DCM) Update

The Last DCM was held on October 4th at the Fall Leadership Rally. Check out the Division 21 Website for what you missed.

Currently, the next DCM will be held on November 2nd from 5:30-7:00 pm at the West Branch Aurora Public Library. In past meetings, we have been struggling to have over 3 Key Clubbers attend.

How would **you** like to meet as a division? Would meeting somewhere else spark your interest like bowling, ice cream, or Panera? Please let me know if you have any suggestions on how I can make my DCMs better!
